

S-DEUTZ Multibrand Service

What is important to you, is also important to us!

As your reliable DEUTZ Service partner, we also can be your Multibrand Service Partner to work with you to maximize the lifetime and uptime of your equipment park – regardless of age, engine brand machine type.

- Construction Machines
- Material Handling
- Agricultural Machines

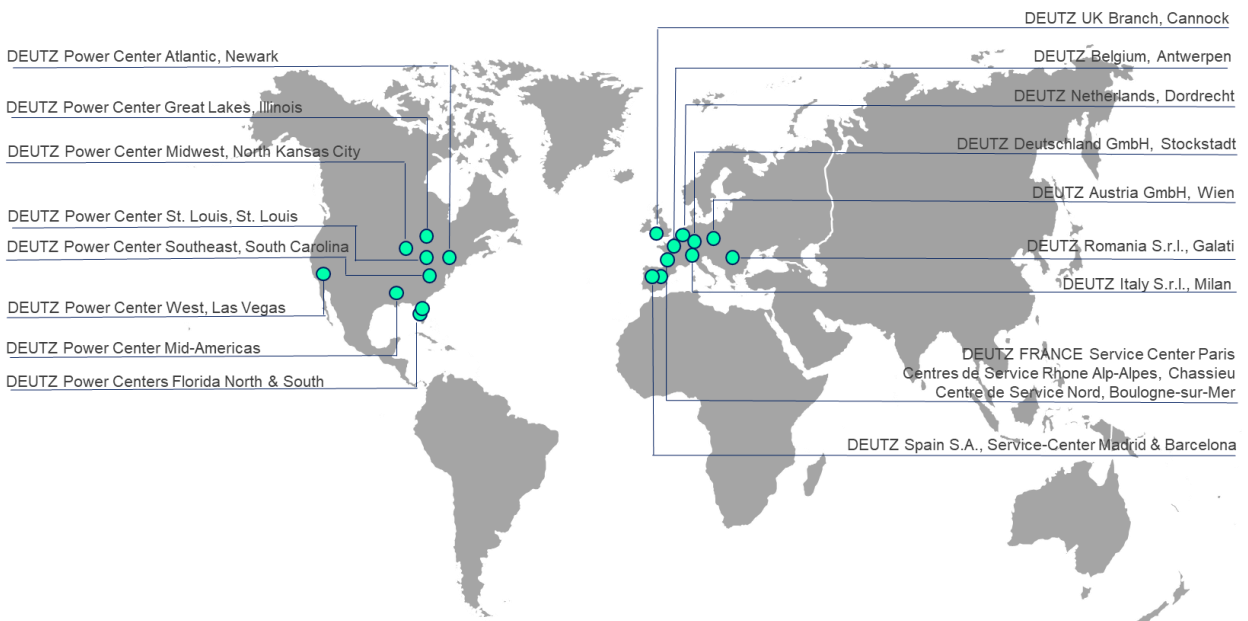

Thanks to our technical competence with specialist knowledge and advanced diagnostic options, we offer Multibrand Service with the specialist staff of DEUTZ's own service centers: Your one hand solution for maintenance and economical repairs for your fleet.

Take advantage of S-DEUTZ Multibrand:

- Service for many brands and models in your fleet
- Greater efficiency with just one single point of contact
- Attractive conditions and fast response time
- Engine specialists from the DEUTZ Service Center
- Reliable error diagnosis using proven Cojali Jaltest Diagnosis Tool
- Exclusive use of high-quality spare parts
